Frequently asked questions

Who will be in the group?

This has been sent to young people across the country who have a visible difference and who will be starting secondary school this September or next, or already in the first year of secondary school.

Why is there a day just for Year 5, 6 & Year 7?

Starting secondary school is a big step for anyone. Being able to feel confident, deal with curiosity and make new friends is important, especially when you have a condition that affects the way you look. Sometimes the first year may have been difficult and you may want a confidence boost before starting year 8.

Can my family come along too?

Unfortunately there are not enough spaces for brothers and sisters or other family members to come too.

What will I get out of the day?

- Ideas for meeting new people and making friends
- Talking through any worries you may have about starting a new school
- New ways to deal with tricky situations and build your confidence
- A chance to meet other children your age who look different
- Lunch and delicious refreshments
- Leave armed with a pack of helpful reminders of the day

What happens if I wish to attend, but can’t afford the travel expenses

If you need to discuss financial support with travel expense, we may be able to assist.

Sounds good so far! How do I book a place?

Just contact us, using the contact details on the front of this flyer to request a booking form. If the event is suitable for you, we will contact your parents by phone to introduce ourselves, to find out more about you and what you hope to get from the day.
