5. The Walk for Ichthyosis is **not a race**. It is set up for the speed of walkers and is not equipped for running participants.
6. Please be aware that this walk is a strenuous, physical event and we recommend that, if you're unsure of your ability to take part, you seek medical advice first just to be safe.

8. Please notify the organisers in advance of any condition which may affect you during the event so that the appropriate assistance can be sought.
9. First Aid cover will be available between approximately 8.30am and 6.30pm
10. All participants under the age of 16 must be accompanied by a responsible adult (18+)
11. All participants walk at their own risk.
12. We ask that any participant who, having registered, is subsequently unable to take part in the event, notify the Ichthyosis Support Group as soon as possible to avoid delays at the start.
13. Well-behaved dogs are permitted at the event; however they must be kept on a lead at all times
14. Each walker is responsible for his/her own conduct and must not undertake any action that may cause danger or risk of any type to him/herself or any of the other walkers. We also ask that all participants show respect for other canal path users at all times.

15. Participants agree that photos and films taken during the event could be used to publicise the work of the charity.
16. In no event shall The Ichthyosis Support Group be liable for any injuries, loss or damages whatsoever, including indirect, punitive, special, incidental or consequential losses connected with any aspect of this event.
